Life is a Daydream of Man

Who loves Money

Dreams of Rich Honey

Doesn't know him 'Self'!

Runs after Elves,

Calls the tycoons,

Overlooks the art of Life

Doesn't know him 'Self'!

Turns into a big bull in a race

Spurns charity at human race,

Away from Divinity and Spirituality

Doesn't know him 'Self'!

Boasts of his abilities

With boosts to his assets

Keeps away all Relations,

Does not know him 'Self'!

Craves the Rank of demigod

Praises with applause

No Time to know his 'inner Self'

Because 'Life is too short to be Smart!'
