

R. P. Singh

(Professor of English at the Department of English and Modern European Languages, University of Lucknow)

From Across the Seas

(A song for my International Students)

From across the seas
from across the lands,
systems and values we store.

From across the cultures
from across the frames.

An image serene have we have made
we tender glowing hearts,
harbingers of knowledge of all sort.

Let love only there prevail
over many a worldly form
Let glory be to truth.

May peace and justice ever prevail!

The parts we saw, the whole we felt,

saw the serenity
where all worries knelt.

A covenant of peace,
for a world -order better

A promise of taste
that always smother.

Yes, we see there,
becoming along
in our psyche
so wide, so long.

We, the harbinger of joys on earth
we the birds in the fullest of mirth!
A rainbow in making! Yes, we see
the colours of sincere co-existence.

A rainbow in making do we see-
the colours of seven human hues –

Of peace

Of love

Of sharing our strength

Of values for an egalitarian world

Of justice

A selfless thought

for a beautiful world ,

crossing all conflicts of the past.
