The Vegans

Look at me, look at me
The distant drums of destiny
Blow bum- bum
Hen for chicken, goat for mutton ..
Cow for beef and buffalo for munching fat ..
Crabs and lobster for frying and boiling
Love for the Pigs for pork and packaging
Fishes are lovely with rice and curry
If I missed out any ..
Don't mind it's just so funny
For tongue and taste
We murder them ..it's too brave ..
The vegans are timid, scared and grave
Look at me, look at me
The distant drums of destiny ...blow
bum- ..bum ..and wait ...
