His is Eternal

Administration invited Him who was capable.

Though He was so, fought for it for a long.

All believed Him, many of them opposed Him.

Legislator was He who abided by Legislation.

Bharat was His He'art' which beat for Bharat.

Intellect was graced upon Him since boyhood.

He used His Hindi tongue on The World dais.

Authority was His Speech which snatched all.

Represented His nation as an opposite leader.

In and out He ever received hearty admiration.

Victorious was, though, tasted many failures.

Acted every office while holding responsibility.

Joviality kept Him as its own care of address.

Peoples loved Him beyond all their inhibitions.

Authored poems dedicated for national cause.

Yester, Past and Future views, He envisioned.

Eternal ideology was His which guides nation.

Eulogies must be sung to get inspiration to all.

(In the memory of Atal Bihari Vajpayee whose birthday is being celebrated on 25-12-2023)
