### **Of the Same Mould**

A brief meeting of the eyes  
An almost imperceptible nod  
Mysterious ways of human connection!  
Brings an instant recognition  
of the soul of the same mould!  
Though bound by the earth,  
the same desire lingers  
in the innermost chambers  
of your heart;  
to catch the fragrance of freedom  
to wander beyond the world  
of mocking, mediocre smirks.  
The sound of ringing laughter  
an unabashed mirth;  
though used to a softer smile  
your core knows its worth.  
Escaping from the puddle of mud,  
sailing on the spirit's yacht,  
two fibres of a vibrant yarn  
form a silent network.
